

Delivering What We Promise

DPK Consulting is a professional land surveying firm. Customers count on us for the quality of our work, our approach to safety, flexible scheduling, responsiveness and competitive pricing. *You can count on us for an exciting and rewarding career.*

"I worked at DPK as a student at NJIT. As a graduate, it's exciting to come out of school with a job. Our firm is growing rapidly and offers me a real career path."

Nataly Flores

"Our new Geospatial Division is expanding our service offering and customer base. This will create huge opportunities for new DPK team members."

Jonathan Stulh

"Working in the field brings me to new places and diverse environments. I love the autonomy of my job and knowing that my work is contributing to our success."

Rich Repole

DPK offers a close team culture of a small business with the benefits and opportunities associated with larger companies, *including:*

- Competitive Salaries and Career Growth
- Paid Vacation, Holidays, Sick and Personal Days
- Performance-Based Bonuses
- Simple IRA Plan with Employer Contribution
- Healthcare Benefits
- Health & Safety Training
- Professional Licensing Fees
- Authorized Continuing Education

DPK Consulting is committed to fostering a diverse work environment where our team members respect one another and share a commitment to our company's values, mission, and strategies. DPK Consulting provides equal employment to all team members without regard to race, color, religion, gender, national origin, age, disability, sexual orientation, veteran or marital status.

"This is a unique opportunity. The industry is changing and providing new areas for learning and advancement. DPK is cutting-edge and allowing me to grow as a professional."

Brian Ferfecki
